

Other Information

Home Learning

Projects will be set throughout the year linked to curriculum. Children can also use 'Numbots' or 'TT Rockstars' to practice their number bonds/ times tables if.

Y1 - Numbots

Y2 - TT Rockstars

Spellings

Spellings are sent home on a Monday to be learnt in preparation for a test the following Friday.

Home Reading

Every child has been given a reading book and a diary. There is a school requirement that your child reads at least **5** times a week. Please encourage your child to read a variety of materials, such as newspapers and magazines.

PE

PE lessons will take place on a Monday and a Tuesday. Children will come to school dressed in their PE kits on PE days. Please ensure your child is wearing no jewellery on these days and has their hair tied back.

Class Information Booklet Spring Term 2025

Y1

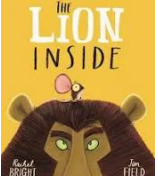

Welcome

Dear Parents and Carers,

Enclosed in this leaflet is an overview of all the exciting learning your child will be completing this term. As you can see, we're going to be very busy!

If you require any further information about your child's learning, please speak to me.

Yours sincerely,
Mrs Cooper
Class Teacher

English	 <p>In English, our book is The Lion Inside. A mouse feels small and insecure and determines that what he needs to do is learn how to roar like a lion. He knows he has to learn how to act brave when he approaches a lion. In a hilarious turn of events, the lion is afraid of mice! Our writing outcome is to write a story about a small animal who befriends a large animal in the African savannah.</p>
Mathematics	<p>During this term, some of the objectives in maths are:</p> <ul style="list-style-type: none">• Money• Multiplication and division• Length and height• Mass, capacity and temperature

Science	 <p>In Science, children will learn about the seasons, seasonal changes and typical seasonal weather and events. They learn about measuring the weather and the role of a meteorologist. Children begin to learn about the science of day and night and recognise that the seasons have varying day lengths in the UK.</p>
RE	 <p>In RE, we are learning about how we should care for the world and for others, and why does it matter?</p>
PSHE	<p>In PSHE, our topic is called Dreams and Goals. In this Puzzle the class talk about setting realistic goals and how they can achieve them. They discuss perseverance when they find things difficult as well as recognising their strengths as a learner.</p>
Geography	 <p>Our topic is 'Our wonderful world, this project teaches children about physical and human features, maps, cardinal compass points, and positional and directional language. They learn about the equator, hemispheres and continents and are introduced to the countries, capital cities and settlements of the UK,</p>
PE	 <p>The children will be looking at Gymnastics. They will develop body management through a range of floor exercises and use core strength to link recognised gymnastics elements. We will also be covering Orienteering, which is an exciting and challenging outdoor sport that exercises mind and body. The aim is to navigate between control points marked on an orienteering map</p>
D&T	 <p>Our D&T project is called Taxi! This project teaches children about wheels, axles and chassis and how they work together to make a vehicle move.</p>
Music	 <p>In music this term we will be Exploring Sound The children will learn that music is made up of high and low sounds, long and short so sounds, and loud and quiet sounds. Explore these sounds and create your own very simple melodies.</p>
Computing	 <p>In Computing, we will be looking at Programming animations. Children will explore the way a project looks by investigating sprites and backgrounds. They will use programming blocks to use, modify, and create.</p>
