

Other Information

Home Learning

Home Learning will consist of daily reading and spelling practice. Children can also use 'Numbots' or 'TT Rockstars' to practice their number bonds/ times tables if. Log ins are in reading diaries.

Y1 - Numbots

Y2 - TT Rockstars

Spellings

Spellings are sent home on a Monday to be learnt in preparation for a test the following Friday.

Home Reading

Every child has been given a reading book and a diary. There is a school requirement that your child reads at least **5** times a week. Please encourage your child to read a variety of materials, such as newspapers and magazines.

PE

PE lessons will take place on a Thursday and Friday this year, we are asking that children come to school dressed in their PE kits on PE days. Please ensure your child is wearing no jewellery on these days and has their hair tied back.

Class Information Booklet Summer Term 1 2026

YR 1-2

Welcome

Dear Parents and Carers,

Enclosed in this letter is an overview of all the exciting learning your child will be completing this half term. As you can see, we're going to be very busy!

If you require any further information about your child's learning, please speak to me.

Yours sincerely,
Mrs Hawkes
Class Teacher

English	 <p>Our book this half term is 'The Last Wolf' by Mini Grey. We will be writing about real events. We will be improving our writing by making simple additions, revisions and corrections. The story is about Little Red setting off into the woods to catch a wolf . . . But the woods aren't all they seem - and are there even any wolves left?</p>
Mathematics	<p>During this half term, some of the topics in maths are:</p> <ul style="list-style-type: none">FractionsStatisticsPosition and direction

Science	 <p>This topic teaches children about growth in animals by exploring the life cycles of some familiar animals. They build on learning about the survival of humans by identifying the basic needs of animals for survival, including food, water, air and shelter.</p>
RE	<p>This half term we will be covering, Who is Muslim and how do they live? This systematic study of Islam sets the foundations for pupils' learning about Muslims and the religion of Islam.</p>
PSHE	 <p>This half term we will be looking at the topic, Changing me. I can tell you some things about me that have changed and some things about me that have stayed the same. I know that changes are OK and that.</p>
History	 <p>This topic teaches children about the English and British monarchy from AD 871 to the present day. Using timelines, information about royal palaces, portraits and other historical sources, they build up an understanding of the monarchs and then research six of the most significant sovereigns.</p>
PE	 <p>This half term we will be looking at Boccia, which is a Paralympic target sport designed for athletes with significant physical impairments, similar to bowls. Played indoors while seated, propel red or blue leather balls as close as possible to a white target ball, called the "jack".</p>
Art	 <p>This topic teaches children about portraiture. They analyse the portraits of Tudor monarchs and compare Tudor portraits and selfies today. They use photo editing software to create royal portraits.</p>
Music	 <p>Music this term will be taught by The City Music School. We will be preparing for a performance later in the term.</p>
Computing	<p>Children will have an understanding of the various aspects of using a computer to create and change text. They will familiarise themselves with typing on a keyboard and begin using tools to change the look of their writing, and then they will consider the differences between using a computer and writing on paper to create text.</p>
