

Other Information

Home Learning

Children can use 'Numbots' or 'TT Rockstars' to practice their number bonds/ times tables if.

Y1 - Numbots

Y2 - TT Rockstars

Spellings

Spellings are sent home on a Monday to be learnt in preparation for a test the following Friday.

Home Reading

Every child has been given a reading book and a diary. There is a school requirement that your child reads at least **5** times a week. Please encourage your child to read a variety of materials, such as newspapers and magazines.

PE

PE lessons will take place on Tuesday and Thursday. Children will come to school dressed in their PE kits on PE days. Please ensure your child is wearing no jewellery on these days and has their hair tied back.

Class Information Booklet Autumn Term 1 2026

Y2

Welcome

Dear Parents and Carers,

Enclosed in this letter is an overview of all the exciting learning your child will be completing this half term. As you can see, we're going to be very busy!

If you require any further information about your child's learning, please speak to me.

Yours sincerely,
Miss Land
Class Teacher

English

Y2 PVPG Unit

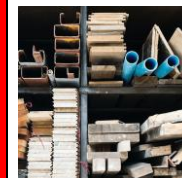

In English, pupils will develop their understanding of grammar by identifying and using common and proper nouns, action and being verbs, building simple and compound sentences, and using conjunctions to join ideas.

During this half term, some of the objectives in maths are:

- Numbers to 100
- Addition and subtraction

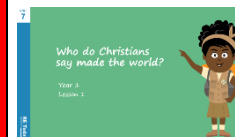

Mathematics

Science

In Science, this project teaches children that objects are made from materials. They identify a range of everyday materials and their sources. Children investigate the properties of materials and begin to recognise that a material's properties define its use.

RE

In RE, pupils will learn about the Christian belief that God created the world and why Christians care for creation.

PSHE

This half term in PSHE, pupils will explore 'Being Me in My World', learning about belonging, feelings, and rights and responsibilities.

History

This half term we will teach the children about everyday life and families today, including comparisons with childhood in the 1950s, using artefacts and a range of different sources.

PE

During PE this half term, pupils will learn the topics Send and Return and Attack, Defend, Shoot, developing skills to send and return objects, hit and shoot at targets, attack and defend in games, rally with a partner, move confidently to return a ball, and work cooperatively to score points.

Art

In Art children will learn about basic colour theory by studying the colour wheel and colour mixing. It includes an exploration of primary and secondary colours and how artists use colour in their artwork.

Computing

Technology around us In Computing, pupils will develop their keyboard and mouse skills, learn about the parts of a computer, and begin to use technology safely and responsibly.
